really? really guys?!!!! NO I MEAN REALLY??? Even if ur partner cheating it's abnormal to read his mail!!! to read somebody's messages is much worth than cheating!! just wait for some time, the truth always reveals itself, but never!! do u hear me?? never read somebody's mail!!!
the same is about ur kids. if i were you child i would never forget this. moreover, this your action can destroy his trust to people for the whole further life. so just talk to your kid. just talk to your partner. people, plz, talk to each other and don't do stupid things!!! Do u agree with me?
