When my husband and I were dating, often times we would go to the pier with a bag of oyster crackers ($2.00!) and feed the ducks or the herons. Sometimes we would just bundle up on cold days and go for a drive out to the beach and watch the breakers! Very romantic!

That was really romantic ... That happened many years ago, but I still remember this with smile ... We were walking in the garden the whole night long, stood "on the mountain", just silently enjoyed the the sunset, the city night, kissed. then suddenly took a train and left the city. We returned home only in the early morning...
This is was the most romantic memory. We are still together, but that day was unforgettable!
